

Eligible Postcodes for AGN's Rebate Campaigns

Per the Terms and Conditions of the 2016 Natural Gas Rebate Campaign for Existing Homes, **rebates are available only to households covered by the distribution network owned by Australian Gas Networks (AGN)**. The tables below are designed to help both customers and participating rebate suppliers determine whether a household is eligible for the rebate. The map provides an overview of AGN's presence in Victoria and Southern New South Wales.

Table 1 lists eligible postcodes. For households in postcodes areas listed in **Table 2**, please double-check availability by:

- Checking whether the gas meter is branded AGN or Envestra; or
- Calling the Natural Gas Team: VIC on (03) 9463 8279 (Neill Grenfell) or (03) 9463 8419 / NSW on (02) 5933 0811 (Cliff Priest); or
- Calling the Natural Gas Marketing team on (08) 8115 4443 or (08) 8115 4441.

Postcodes in **Table 3** are currently NOT eligible for rebates, due to critical capital work programs that are yet to be completed.
